### 3. Application for IPU Special Scholarship at the time of admission and continuing review after the second year

Scholarship needs to be applied at the time of application. Also, the proof of household income needs to be submitted every year.

From the second year onward, there will be continuing review for the scholarship every year. All

of the following four criteria must be met to be granted each year:

1. Attendance rate in scholarship year
2. Grade Point Average (GPA) Criteria
3. Standard number of acquired credits at the end of each year (1<sup>st</sup> year: total 30 units → 2<sup>nd</sup> year: total 70 units → 3<sup>rd</sup> year: total 110 units or more)
4. Contributions to the university, including extracurricular activities

In addition, please note that in the case of non-payment of tuition, expulsion, bad behaviour, etc., the eligibility for the scholarship must be suspended or revoked immediately even during the middle of the school year, and all or part of the amount equivalent to the scholarship already granted must be returned immediately.
