

Invitation

14th Graduation Ceremony, 2023

The time has come for the 14th generation, whom we have cherished dearly, to spread their wings and depart. While we bid farewell to the students who have endured hardships during the pandemic, we cannot help but feel a tinge of sadness and loneliness unlike any we have felt before. However, we find solace in the fact that, considering the socially challenging circumstances, the faculty and staff have been able to guide students toward their desired paths of advancement, divided by their career aspirations.

It is still regrettable that the 14th generation could not showcase their bright spirits at the entrance ceremony due to the pandemic. Therefore, we sincerely hope that at least the parents will be able to witness their "bright spirits four years later" at the graduation ceremony. We kindly ask for your attendance at the ceremony.

As the graduation ceremony approaches, we would like to provide guidance to all parents. While guidance has been given by the respective seminar instructors and students, I would like to provide guidance once again.

These are students whom we hold dear. Although it is a busy season, we kindly ask for your attendance, making arrangements as necessary, as indicated below.

Following the graduation ceremony, the graduates have planned a heartfelt appreciation party. We are also preparing for family photo sessions at the university and look forward to your participation.

On the day of the 14th departure of the 2023 academic year, please witness the resilient figures as they embark towards the stage of the future.

March 2024

Setsuko Ohashi
President
International Pacific University
